Product Story

In Win has been dedicated to providing the highest quality and innovative products for decades. To stay consistent with our quality, we developed a mid tower called the 101 with versatile cooling options and can accommodate powerful hardware. The distinctive front panel is designed to have a clean surface with a striking LED bezel. Now enjoy your high quality and stunning case!

7.Fan / Liquid Cooling Radiator Installation

Parts Required: Water-cooling System Washer.

8.Completing Installation

Notices and Warranty

◆ **Notices**

1. Please follow the user manual for installation.
2. When installing the computer components, please use the antistatic precautions to prevent ESD (electrostatic discharge) damage. This can cause injury to the installer and/or damage to the machine. Incorrect installation may burn motherboard and other system components.
3. To avoid any damages, please do not use this product for any other purpose than its intended use.
4. Any modifications may damage the product.
5. Please remove all internal devices before shipping or moving.
(Including power supply, hard drive, CD-ROM, motherboard and CPU, etc)

◆ **Warranty**

- * For more detailed warranty information, please visit In Win retail website at www.in-win.com.
- * The actual product is subject to change without prior notice. In Win Development Inc. reserves the right to make final modifications.
