⬤ Product Story

Balanced Luxury

The InWin 925 is built like a tank while maintaining the class of a luxury car. The "little" brother of the popular 928 super tower debuts in full tower form. The quality materials fused together to create a case with optimal airflow, unique aesthetics and an internal configuration for superior PCs.

Notices and Warranty

■ Notices

1. Please follow the user manual for installation guidelines.
2. When installing the computer components, please use antistatic precautions to prevent ESD (electrostatic discharge) damage. Failure to take the necessary precautions may result in injury to the installer and/or damage to the machine. Incorrect installation may burnout the motherboard and other system components.
3. To avoid any damages, please do not use this product for any other purpose than its intended use.
4. Any modifications may damage the product and will void the warranty.
5. Please remove all internal devices before shipping or moving. (Including power supply, hard drives, motherboard, CPU, etc.)
6. Please avoid unnecessary insertions and extractions to the addressable cable as it may damage the pins.
7. To avoid damaging any circuits, please make sure the power is off before assembling any internal device.
8. When the side panels are opened, please do not put your hands or other objects into the fans or other parts in operation. And please make sure to keep away from children and pets.

■ Warranty

* For more detailed warranty information, please visit the InWin retail website at www.in-win.com.
* The actual product is subject to change without prior notice. In Win Development Inc. reserves the right to make final modifications.
