

InWin PCI-E Riser Cable & Socket

PCI-E 3.0 x 16

Rep Your GPU

Modern GPUs look stunning, so why not flaunt it? With the InWin PCI-E Riser Cable & Socket, GPUs are able to be vertically mounted and have a steady support as well.

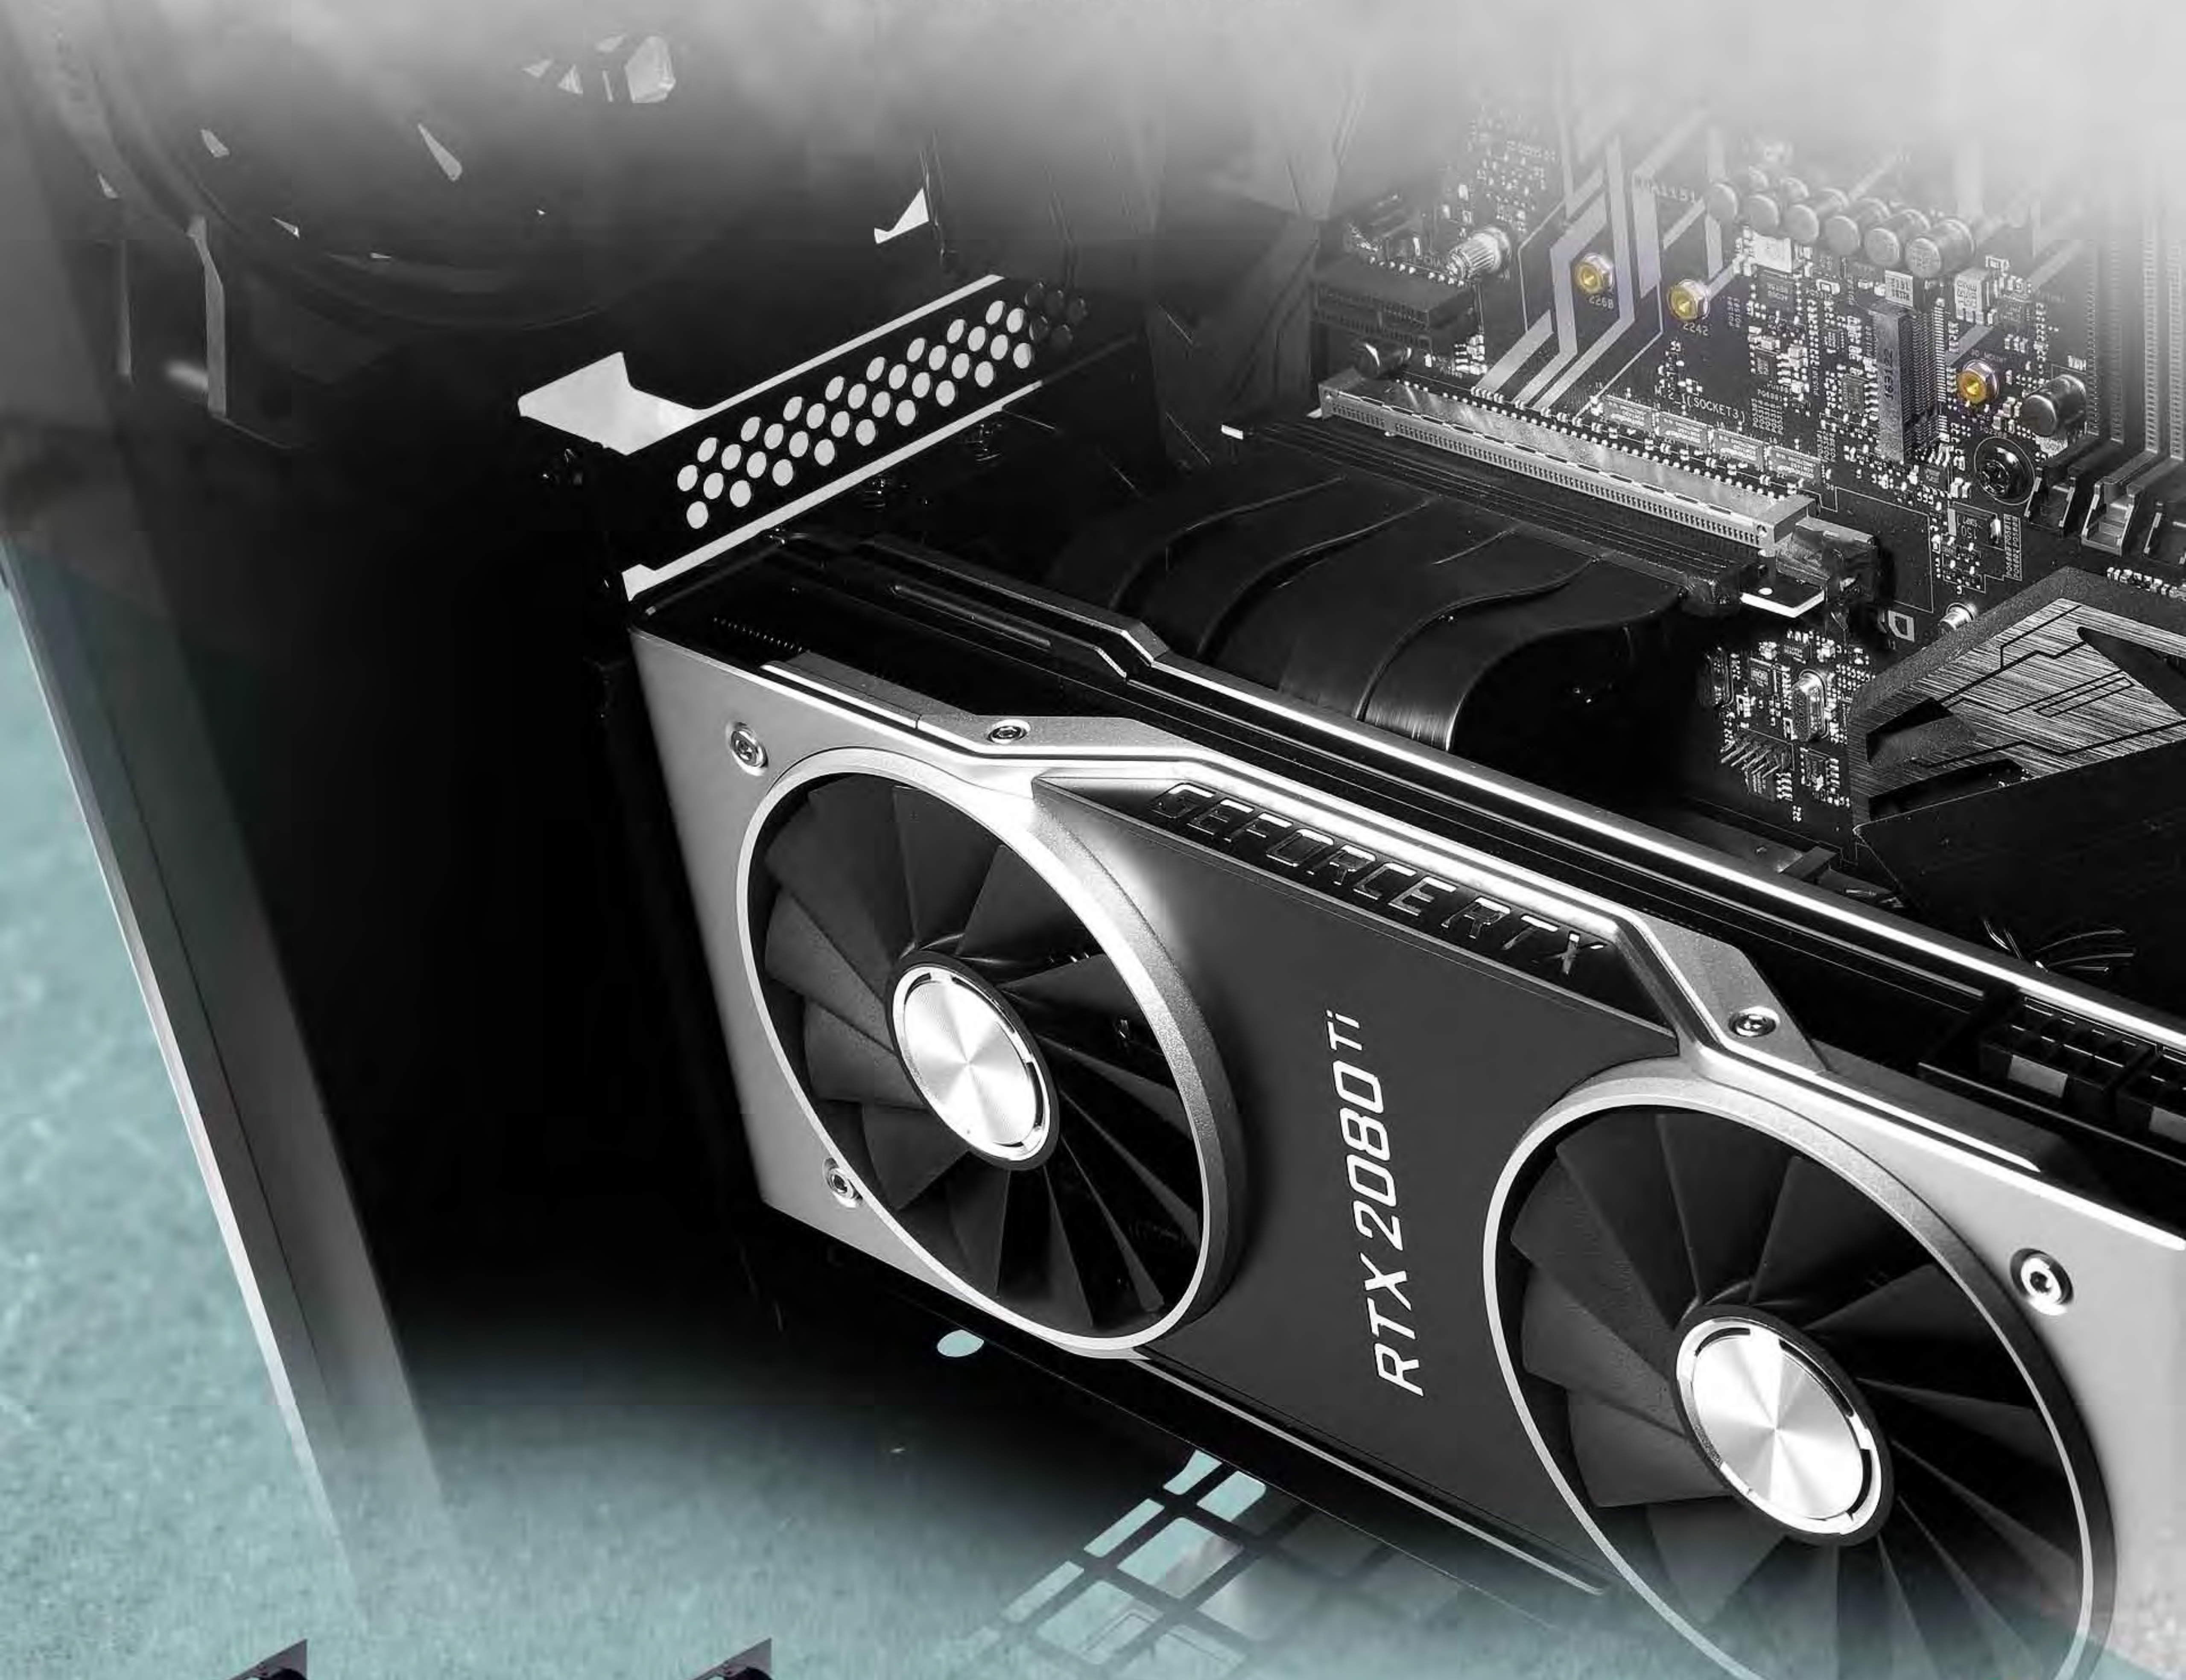

Vertical Installation

GPU support incredibly simple and safe with this riser cable and socket. The flexible PCI-E Riser Cable can be routed vertically, up to PCI-E 3.0 bandwidth support. Customize your GPU vertically and in high speed!

Graphics Cards Support

The InWin PCI-E Riser Cable & Socket set comes with a socket that supports the graphics card to the motherboard. The design allows you to safely present your GPU in a stable manner.

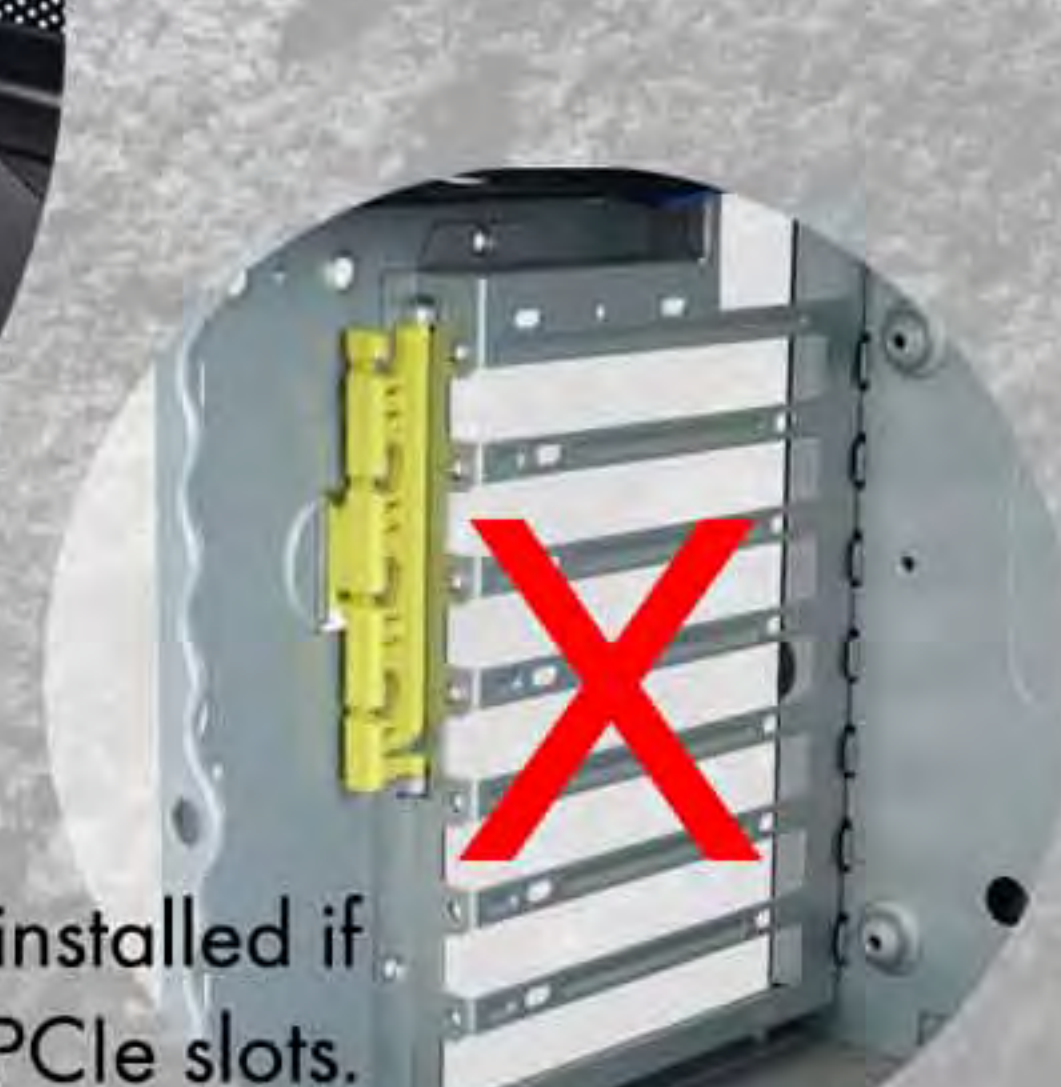

* Please ensure no shorts have occurred due to poor PCI card placement.

* To prevent from damaging the cable, please do not fold the PCI-E cable during installation.

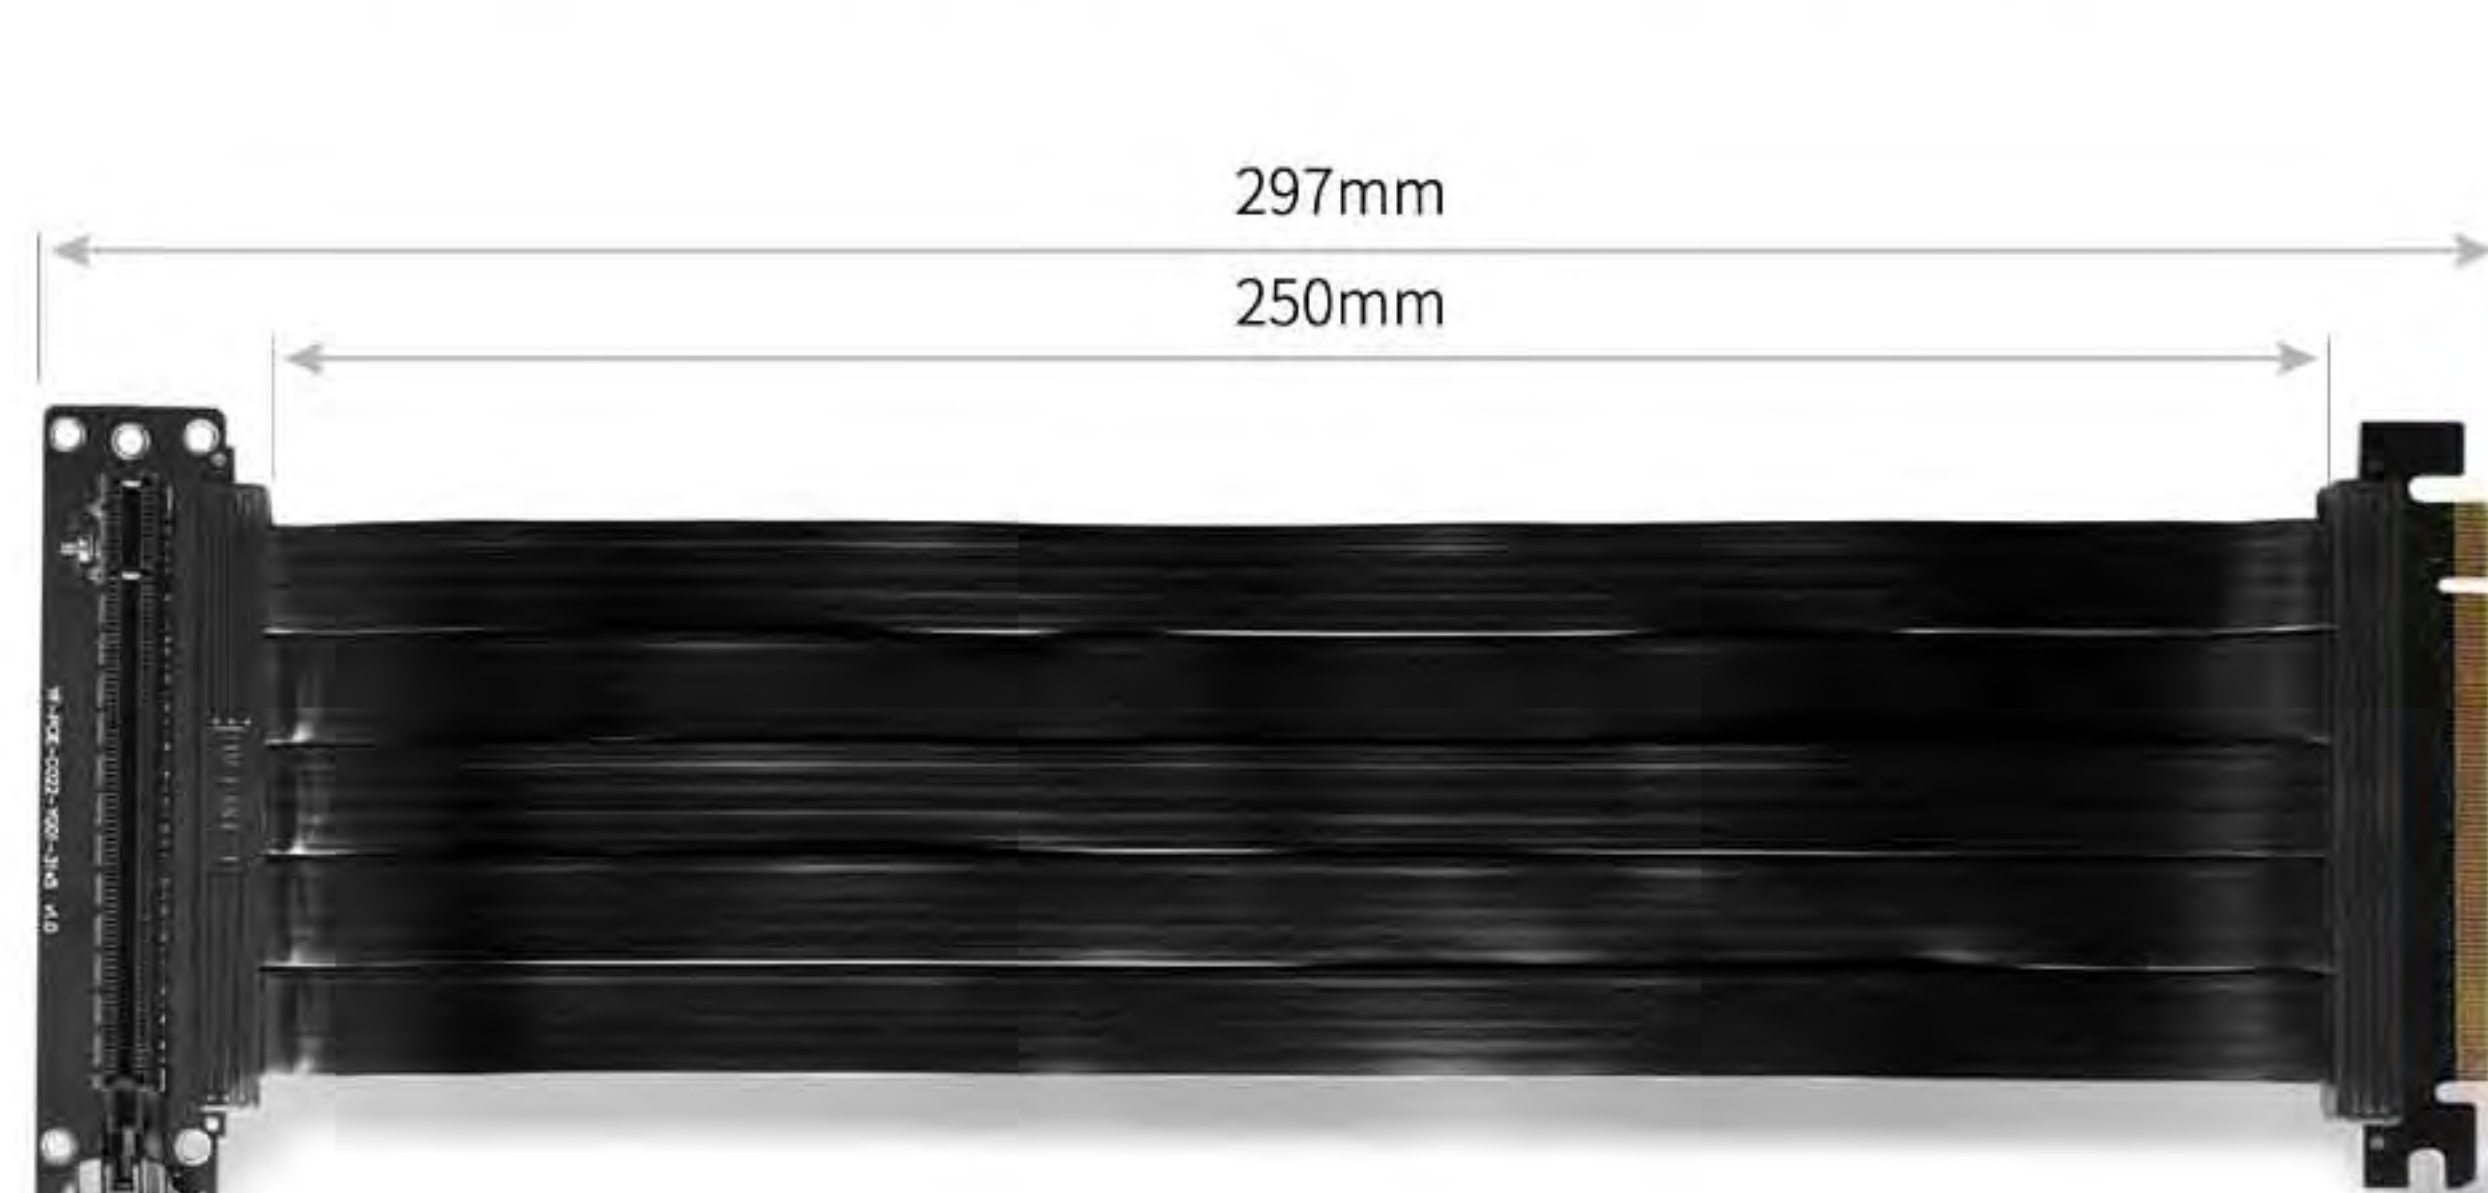

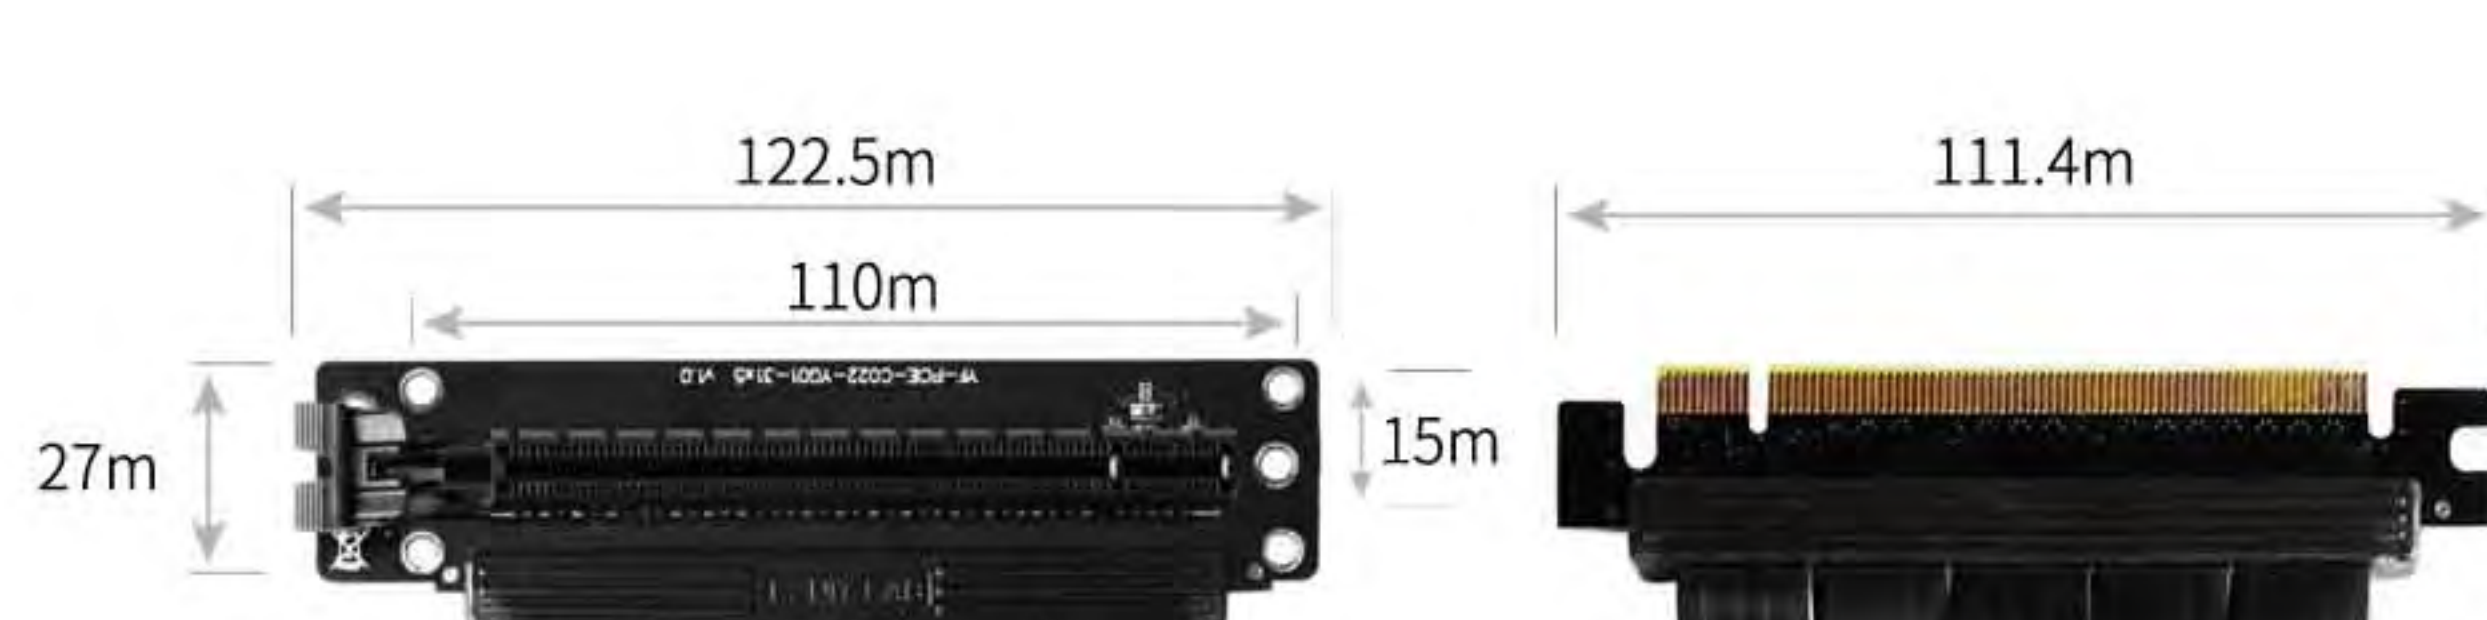

Chassis must have at least 6 PCIe slots and be installed like as seen above.

The Riser Cable cannot be properly installed if a solid, metallic strip is above the PCIe slots.

Dimensions

Specifications

Model	InWin PCI-E Riser Cable & Socket
Part Number	IW-PCIE25-SOCKET
Interface	PCI-E 3.0 x16 90 Degree Right Angle Riser Adapter Card
Cable Length	250mm
Materials	Thermoplastic, FR4, Polyethylene(PE), SECC, Copper Alloy
Temperature Range (°C)	-20 ~ 80 °C
Package Contents	1.PCI-E Riser Cable x 1 2.Vertical Graphics Card Adaptor Socket x 1 3.Screws x 5 4.Standoffs x 3 5.Standoff Setter x 1

* Our products comply with RoHS regulation.

* Specifications may vary based on different regions.
